Re: Locker Clean up Schedule

Dear Students and Families,

We are hoping that you are well during these times. Given that the school will not re-open this semester, it is important that students have the opportunity to come and clean out their lockers. We have set up a schedule, according to their Advocacy teacher, starting Monday, May 4 until Thursday, May 14. Please note that we have avoided Tuesdays due to ongoing meal packages being put together and delivered that day. Students are asked to only come during their scheduled times to ensure social distancing.

Educational Assistants will be on hand to assist students on locker clean up days. Educational assistants will monitor and allow only a certain number of students in at a time as well as to direct them to their lockers. Students that have lockers in the West building are to enter and leave through the SOPAC entrance. Students whose lockers are in the East building are to enter and leave through the East main doors. Students are reminded to honour social distancing while waiting outside (6 feet apart) and during clean up.

After lockers are cleaned out, we ask that students take their lock to the Educational assistant. Students will be handed a tag (serial number and combination) to attach to the lock and then drop off in the collection box. Garbage bags will be provided for students to put their possessions in.

*Please see the attached schedule for Locker Clean up.

Thank you and we look forward to seeing you. Take good care!

Sincerely,

GC Administration team.
