April 29, 2020

Reminder that our Parent Survey closes Thursday, April 30th at 11pm. We have received valuable information and commit to sharing it with our staff so that we can develop and adjust our approaches for the benefit of all students.

A small sample of responses thus far are:

- *All my child's teachers have posted online assignments that are relevant to the course content, continuing where things left off in March.*
- *Virtual classes would be great Having the teacher in front of them could make it easier to do and learn.*
- *I know teachers are working hard to ensure students keep up with their learning, but please be mindful that students have multiple classes Students may also have home responsibilities during this time that they may not regularly have.*
- *I appreciate that you are using google classroom as it is easier to use then most. This is important to help keep the children on track*
- *Online assignments are working well, When teachers provide enough notice for students to plan their homework for the week appropriately. Students can be more successful when teachers ensure they are connecting with their classes at the beginning of each week.*

Dear GC Families,

We welcome your input on our remote learning approach so we can understand what is important to families as we move ahead together. Please take a few moments to complete a brief Thoughtexchange survey at: <https://my.thoughtexchange.com/807253484>

*This exchange is confidential. Your thoughts will be shared, but not your identity. Survey closes Tuesday, April 28th.

What is a Thoughtexchange? View this brief (1 minute) video for further information: <https://get.thoughtexchange.help/hc/en-us/articles/235721527-What-is-a-Thoughtexchange-Video->

Thank you and we look forward to your contributions,

Tony Kreml
