April 23, 2019

Dear Maples Met Families,

We are entering a very important moment for education in Manitoba. The Province of Manitoba has launched a major K-12 Education Review, which will examine several of the foundational components of our system.

It is incredibly important at this time that our parent, mentor, student, and educator communities are rallying together and participating, actively, in this process. Below is a link to various public consultations being held, and information on the different ways you can add your voice.

There is a consultation tomorrow at 6:00 P.M. at the Caboto Centre, 1055 Wilkes Ave.

We absolutely cannot take for granted what we have here in Seven Oaks right now. Our number one priority right now is to keep Seven Oaks - Seven Oaks. There is a real risk that if we don't articulate and champion the plethora of programs and undertakings that we provide as a Division, that they could be lost in a transition.

This is a critical moment in our Division's history. We are happy to answer any questions you may have about the review, and strongly urge you to let your voice be heard and to help us continue to be the progressive, entrepreneurial, equitable, cutting-edge school division that we are.

<https://forms.gov.mb.ca/education-review-public/>

If you have any questions, please don't hesitate to be in touch. I am always happy to discuss the review and the ways in which it could impact us, both for better, or for worse.

Take care,

Ben Carr
