Dear Families,

As you know, over the next few days we will be holding family meetings. Should you wish to sit down and chat with me 1-1 on Thursday evening or Friday during the day, please send me an email back with the time you are coming in and would like to meet.

If I am unable to accommodate the time slot, I will be sure to find time for us to connect by phone in the meantime, and look at when our schedules could next fit in a time.

In the interest of making it fair to all families, we will stick to 15 minute time slots.

I am looking forward to seeing you soon!

Ben
