

Victory School Mission Statement

We have a voice.
 We celebrate the uniqueness and gifts of confident, respectful global citizens.
 We are committed to lifelong learning.
 We are a caring community.
 We are the best we can be; constantly learning and growing.
 We are Victory School.

In addition to working on curriculum goals, students and staff have so many opportunities to learn; to develop skills, contribute to the community, participate in new activities and to discover more about themselves and the people around them.
