March 13<sup>th</sup>, 2020

Dear Parents/Guardians,

We have just learned that the Province of Manitoba, Minister of Education, Kelvin Goertzen is closing schools effective March 23<sup>rd</sup> for a three week period including Spring Break.

We anticipate that schools would reopen April 13<sup>th</sup>.

Schools will run as normal next week, March 16<sup>th</sup> to 20<sup>th</sup> and teachers will be providing learning packages and assignments for students while schools are closed. Teachers will be working in schools during the period of closure and will endeavour to assist students by phone or by electronic means during the week before and after spring break.

This action is being taken out of abundance of caution and is intended to limit the spread of the coronavirus COVID-19 and is intended to reduce risk for all Manitobans. We will communicate further details to all parents early next week.

Sincerely,

Brian P. O'Leary  
Superintendent
