December 26<sup>th</sup>, 2021

Good afternoon everyone,

We were informed by Public Health that a member of our school community, in the upstairs, Middle Years' cohort, has tested positive for COVID-19. The individual was last at school on Monday, December 20<sup>th</sup> and Tuesday, December 21<sup>st</sup>, when they may have been infectious. On Tuesday, the student also attended the TAS Hockey Program.

Close contacts have been identified and notified to isolate. We ask that you monitor your children for symptoms and have your children isolate if symptomatic. If you have any questions, please call Health Links at 204-788-8200 or at 1-888-315-9257.

We have had questions about the province sharing Covid-19 rapid test kits with families. We expect the rapid test kits to arrive at the school in January. As soon as the rapid test kits arrive at the school, we will share the plans to get them to families as quickly as possible.

For more Public Health information about COVID 19, please visit:

<https://manitoba.ca/covid19/updates/resources.html>

We hope everyone stays well and healthy through the holidays and maintains the health protocols in place so we can all return to school safely.

Kind regards,

David Ingram and Jenny Macdonald
