We are learning together - and we’re ready for school.

Things may be very different right now, but one thing remains the same: the need to keep learning… together.

So thank you to our entire staff, our students, our parents and families, our neighbours and friends.

We are already excited for the coming school year as we prepare to bring our community together again.

Our high schools are hosting virtual open houses in the coming weeks. Here you will find more information about our high school programs and registration for the 2021-2022 school year.
Learning Comes in Many Forms

Everyone learns in different ways, and everyone takes their education in their own direction. That’s why Seven Oaks School Division offers many ways for our students to learn and grow.

SOSD provides Bilingual Programs in:

- Ojibwe
- Ukrainian
- French Immersion
- Filipino

Whether it’s earning college credits through Beyond Grade 12 Now programs or developing practical trade skills through our Co-operative Vocational Education (CVE) programs, students graduate from the Division ready for wherever their post-high school journey might take them.

BEYOND GRADE 12 NOW

Students can earn college and university credits in:
- Anatomy and Physiology
- Applied Computer Science
- Calculus
- Drafting
- Dynamics in the Inner City
- English
- Français
- History
- Indigenous Studies
- Physics
- Psychologie
- Psychology

CVE

Students can get a head start on promising careers in:
- Automotive Trades & Technology
- Aviation Trades & Technology
- Early Childhood Education
- Health Care Aide
- Hospitality Services
- Building Trades
- Plumbing & Pipe Trades
- Culinary Arts
- Electrical Trades Technology
- Sustainable Energy
- Refrigeration and Air Conditioning
- Performing Arts Production & Industry
Students have countless opportunities to explore their interests, gain confidence, find their individual voice, and be part of a group through our many arts and physical education programs.

Students can participate in such activities as:

- Choir
- Band
- Visual Arts
- Dance
- Video/Audio Production
- Theatre
- Basketball
- Football
- Hockey
- Volleyball
- Track and Field

In Seven Oaks School Division, education includes everyone. Especially families.

We put more funding directly into supporting classroom learning than any other division in Manitoba. We keep costs for programs low while offering a wide variety of learning opportunities. We fight for fair taxation to reduce the financial demand placed on our community.

Most importantly, we involve families by having dedicated teachers and staff who are passionate about education. They care about the academic progress of each student and work together with families to make sure every single individual gets the most out of every class.

Because together, we are a community of learners, all dedicated to providing the best education possible... and in Seven Oaks School Division, Community Begins Here.
REGISTER NOW FOR 2021-22

This is the time to look ahead. Because schools will be back in session before you know it. And we want to see you there!

Register online or call any school, Monday to Friday, from 9 AM to 3:30 PM. We’ll be there to welcome you, get your information and get to know you a bit at the same time.
