

CHIEF PEGUIS TRAIL EXTENSION - TOWN HALL FORUM

News Story

On Monday, January 22, 2018 join us for a Town Hall forum on the Chief Peguis Trail Extension project.

City Council will soon vote on which infrastructure projects will receive funding in 2018 and we hope to bring the community together to support municipal officials working towards achieving funding for the Chief Peguis Trail Extension project.

The Town Hall is an opportunity to hear more about this project and why it is important from government representatives, industry leaders and others in our community.

Panelists include:

Brian O'Leary, Seven Oaks School Division (*moderator*)
Derek Dabee, Seven Oaks School Division Board of Trustees
Devi Sharma, City Councillor for Old Kildonan
Dudley Thompson, Prairie Architects
Jim Gauthier, Gauthier Automotive Group
MaryAnn Mihychuk, MP for Kildonan St. Paul
Ron Schuler, MLA for St. Paul
Ross Eadie, City Councillor for Mynarski

There will also be a Q&A session to give community members an opportunity to voice their opinion on the project.

Seven Oaks School Division is committed to enhancing not only the quality of education, but also the economic, social and physiological health and continued growth of our community. This is why we are working with area councillors, infrastructure and industry stakeholders and community members to ensure City Council as a whole recognizes the importance of completing the Chief Peguis Trail.

Phase 1 of the Chief Peguis Trail was completed six years ago. Our community has since anticipated an extension of the roadway to allow for better access to surrounding areas, the development of better facilities and a strengthened community. Unfortunately, the completion of the second phase from Main St. to Brookside Blvd. is not a done deal and other infrastructure projects may take priority. Join us to share your support for this important project.

A strong, connected North End makes for a strong Winnipeg. And the North End needs this project completed.

The Town Hall begins at 7:00 P.M. in the West Kildonan Collegiate Commons, 101 Ridgcrest Ave.
