

Field Trips and Excursions

The Board of Trustees supports student field trips and excursions as valuable learning experience, in curriculum areas such as: arts, music, science, physical education and cultural activities.

School administrators and teaching staff are responsible for ensuring that field trips and excursions are organized with a view to providing a safe, educational experience for students.

The Board expects schools to refer to the following guidelines to assist with planning, parental permission and/or consent forms, staff supervisory responsibilities and student safety:

Safety Guidelines for Physical Activity in Manitoba Schools 1997

Youth Safe Outdoors – www.YouthSafeOutdoors.ca

M.A.S.T. Website – www.mast.mb.ca

- ❖ Planning Ski Education Program
- ❖ Risk Management Document – 2002
- ❖ Swim Safe Document

Also refer to Policy JH – Student Travel in relation to Out-of-Province and In-Province Travel.
