

WALK FOR WATER EVENT

**IN PARTNERSHIP WITH THE SEVEN OAKS MET SCHOOL &
SHOAL LAKE 40 FIRST NATION**

Friday, May. 10 | City Hall | 10:00am-11:30am

Join us as we walk towards change, raising awareness and funds as we walk from City Hall, to Manitoba Hydro, to the Legislative Building. We are walking in support of all Indigenous communities effected by boil water advisories and uncertain access to clean drinking water. As a simulation, we will be carrying 5 gallon water jugs. We are demanding our government to make Indigenous communities a priority!
