

### A QUICK MESSAGE FROM KYAC's COORDINATOR,

**AMY WILSON:** As the Coordinator of the Kildonan Youth Activity Centre I feel incredibly fortunate to be able to experience all facets of programming offered. With having multiple youth drop in sites, an Art program, Guitar program as well as a Youth Council we do our best to cater to all the varying needs of our participants. The staff within KYAC continually go above and beyond in order to offer the best programming we can to those that attend. When looking to the future of the organization I am filled with such promise, knowing there are so many hard working individuals utilizing KYAC and contributing to it's ongoing success!

### I love KYAC because...

### PROGRAMMING

KYAC once again ran a multi-week Summer Program, offering programming out of two schools; Seven Oaks Middle School and Edmund Partridge Community School. This summer we saw 3000 individual visits., averaging 94 participants per day!

The Summer Program continues to evolve and change to better suit the needs of those who attend. Interest is always growing, allowing us to try out new venues and offer different workshops. This year we offered 28 unique outings throughout the city.

### SCHOOL YEAR PROGRAM:

This school year KYAC has already received over 5000 individual visits at our drop-in gym programming ,which is offered at 5 different schools within the Seven Oaks School Division. This year we were fortunate to continue offering our Art, Guitar and Youth Council programs, providing programming to 38 participants.

KYAC is fortunate to offer, on average, 60 snacks and drinks a week at our various after school drop in sites. With the benefit of snacks and drinks we can ensure our participants are nourished and full of energy for all the games we play!
