

Reading Follett eBooks in Destiny Discover

The tools available when reading Follett eBooks in Destiny Discover™ were designed specifically for students and educators. They include powerful note-taking features, searching and more.

Note: To download Follett eBooks for offline reading, use the Destiny Discover app.

The screenshot shows the Follett eBook reader interface. At the top, a blue navigation bar contains a 'Back' button, a search icon, 'Aa' for text settings, a 'Book' dropdown menu, a 'Notebook' icon, and a help icon. The main content area displays an illustration of a girl and a man in a field, with text from the book overlaid. At the bottom, a blue bar features a 'Play' button, the page number 'p. 9', a progress slider, and the text '31% of 35 pages'. Four callout boxes provide instructions: one for the 'Back' button, one for the top menu (bookmark, display options, notebook, help), one for the 'Play' button, and one for the page navigation arrows and slider.

Click to return to search results, title details, or your Bookbag.

Add a bookmark, or access display options, book information, your Follett eBook Notebook, and Help.

Note: If you are reading a Follett eBook from a smaller window, the menu options appear as icons without text.

Click to play the eBook as audio (for compatible Follett eBooks). The text is highlighted as it is read.

Use the forward and back arrows to turn the page. Or, click and drag the circle to navigate to a particular place in the eBook.

More Follett eBook Notebook features

Highlight, copy text and use the dictionary

To select a section of text, place your cursor on the first word you want to include, and then click and hold. The word becomes shaded in blue, and quotation marks appear. While still clicking and holding, drag your cursor over the rest of the words or sentences you want to include.

When you release your mouse button, a toolbar displays additional options:

Note: To see the supported features and publisher permissions for a Follett eBook, go to the **Book** drop-down, and then select **View Title Info**.

Notebook features

Click **Titles** to view your notes for the current title or all Follett eBook titles.

Click **Filter** to choose the types of information to display, such as bookmarks and notes.

If you are viewing notes for all titles, you will also see a **Sort** option.

The screenshot shows a notebook interface with a blue header bar labeled "Notebook". Below the header, there are two buttons: "Titles" and "Filter", both highlighted with a red box. To the right of these buttons is a blue circular icon with a document symbol. Below the header, the notebook content is displayed for the title "Once Upon a Dime" by Allen, Nancy Kelly. There is a "Print" button. The content is organized into sections: "Bookmark" with a "Delete" button, a "Note" with "Edit" and "Delete" buttons, and a "Highlight" with "Edit" and "Delete" buttons. A "Mathc" tag is visible on the note. A "page: 10" link is also present in the bookmark section.

Click to add a note to the current page.

Click the page link to jump to that page in the eBook, if it is available.

Use tags to organize notes across different eBook titles. If you are viewing your notes for all titles, you can sort by tag.

Listening to Follett audiobooks in Destiny Discover

You can stream Follett audiobooks online.

The screenshot shows the audiobook player interface. At the top, a blue toolbar contains a 'Back' button, a timer icon, a volume icon, a 'Book' dropdown menu, and a help icon. The title 'It Happened on a Train' and 'Chapter 2 of 72' are displayed. The central image is the audiobook cover for 'Brixton Brothers: It Happened on a Train' by Mac Barnett, read by Betty Hanson. Below the cover is a progress bar and a timer showing 00:00:29 / 00:04:12. At the bottom, another blue toolbar contains playback controls: a play/pause button, a stop button, a next button, a refresh button, and a previous button. Two callout boxes provide instructions: one points to the top toolbar controls, and another points to the bottom toolbar controls.

Use the controls in the top toolbar to select an amount of time to play the audiobook or to adjust the volume.

Use the controls in the bottom toolbar to play, stop, move forward or back a chapter, or skip ahead or back in 15-second intervals.

Note: To play a Follett audiobook from the Destiny Discover app, you must download it. The download process starts automatically when you play a checked-out title.
