Introduction to Seven Oaks Education Foundation:

Seven Oaks Education Foundation is an organization dedicated to providing the students of Seven Oaks School Division access to post-secondary education. SOEF envisions a supportive community where all students believe they can continue their education and training beyond high school.

The Foundation raises funds to help students realize their post-secondary goals through scholarship opportunities and distributes these funds to facilitate learning for as many students as possible.

Members of the Foundation engage the Seven Oaks community in actively supporting the post-secondary experience and counts on public support for continued success.

Board of Directors Commitment:

The SOEF Board meets on the second Tuesday of each month around 4:30pm, from September to June. Various fundraising events throughout the year, and attendance at Graduation ceremonies in June may require additional time.

Board members must serve for a minimum of one year and are asked to confirm their commitment before the Annual General Meeting in April.

By filling out this application, you are acknowledging that you understand this commitment, and are prepared to attend monthly meetings, and participate in various fundraising events and graduation ceremonies as required.
