

Unite to Change Day at Collicutt School

We are very excited to announce that Room 8 at Collicutt School will be putting on a Unite to Change Day on November 4th in the morning. What is Unite to Change you ask? Well, it's about inspiring kindness in each other, helping the earth, changing the world to make the earth a better place. Our Unite to Change Day will have lots of fun activities. In the family centre we will have a Cool to be Kind Station that will be about bully prevention and kindness in the school. In the music room we will be Hand Drumming and learning the bear song with Frank Beaulieu. Outside by the garden or in Room 9 (if the weather is bad) there will be a Garden Station where there will be a scavenger hunt and the Biovator Man to teach us about composting. In the gym there will be a Fitness & Nutrition Station where we will talk about taking care of ourselves and having fitness fun. In Room 8 there will be a Green & Elder station where we learn about living in nature gband taking care of the earth. And in Room 7 we will have a Recycling Art Station where we will be learning to reuse old materials to make something new and beautiful. We hope that our Unite to Change Day will help our school and students be the best they can be!
