

TRUSTEE USE OF DIVISION RESOURCES

Trustees will be provided with the necessary resources to fulfil their role in providing governance to the school division. This will include a laptop computer, smart phone, email address and other reasonable resources as required.

Trustees are not permitted to use division resources for the purposes of campaigning for election, in particular, but not limited to:

- The school division logo.
- Photos and images that are the property of the division or third parties acting as agents of the division.
- Divisional email.
- Division facilities.
