

Welcome Back to School! Bonne rentrée !

Dear École Rivière-Rouge Families,

It was such a pleasure to greet our students and their families this week as we heard about wonderful summer memories and how good it was to be back at École Rivière-Rouge. We look forward to working with you and your children throughout the year!

Our dedicated staff has been preparing for your child(ren) over the summer. Our enthusiastic office team has been registering new families, ordering materials and updating student files. Our hard working custodians have spent the entire summer thoroughly cleaning the school. We are fortunate to have such a supportive parent community with the common goals of nurturing responsible, caring students and promoting high-level learning.

An additional welcome back gift is the signage in the foyer over the bridge. The historical Selkirk Treaty signing has significant meaning to our school and the history of Manitoba.

The words:

« Un enfant, un professeur, un livre, un crayon peuvent changer le monde. »
“One child, one teacher, one pen, and one book can change the world.”

– Malala Yousafzai

This quote also has significant meaning to our everyday learning in this place we call École Rivière-Rouge.

A great deal of time, effort and thought has gone into the process of student placement for the 2019-2020 school year. Classrooms have been balanced academically and socially. Our class lists are structured to provide equitable class sizes at each grade level. All of our staff works hard to make school a positive experience for all students.

We are excited to share that we will have a whole school Instagram beginning in the month of September. You can see us by using [@ecoleriviereroUGE55](https://www.instagram.com/ecoleriviereroUGE55).

PCP (Parents comme partenaires) meetings will be held every third Wednesday of the month beginning October 16th at 6:00 p.m. Child care will be provided.

Thank you to our families for your commitment to our school. We will have another successful year! Together, I know we will make this school year one of growth and achievement for all children.
