École Rivière-Rouge

Fundraiser for

In honour of Gianna The Children's Hospital Champion Child 2019

During the month of April, we are fundraising for The Children's Hospital in honour of Gianna, a student from our classroom. Gianna is The Children's Hospital Foundation Champion Child for 2019 and she will be campaigning across North America to share her story and raise awareness that the hospital needs more help. Gianna's role was announced to the media on March 12th.

We will have an assembly on Monday, April 8th to share Gianna's story with students and explain her fundraising efforts for the Children's Hospital. All donations raised during our Champion Spirit Week April 8th-12th and any proceeds from the Hot Lunch on April 25th will be donated to The Children's Hospital Foundation of Manitoba in honour of Gianna. Gianna has chosen to donate the money to the NICU to purchase equipment to help premature babies.

Please help us as we honour Gianna's story and raise donations to help others.

Thank you,

Mme Pelletier and Gianna's friends in Room 200
