

Our community needs your voice.

Join us for a forum with the 2018 City of Winnipeg Mayoral Candidates.

On October 24th the City of Winnipeg will have a civic election. This Mayoral Debate is an important opportunity for Seven Oaks community members to engage in a meaningful conversation with those seeking to represent us at City Hall.

This debate will afford both students and community members at large the ability to pose questions to candidates.

We hope that you will consider joining us.
