

CALLING ALL DREAMERS!

*Are you doing something cool related to science, technology, engineering, art or math in your...
Class? Club? Interest group?*

Then you should come and share your learning at
Seven Oaks School Division's inaugural STEAM Fest 2022!

STEAM Fest 2022 will be a space where you can:

- share independent/group projects
- demonstrate fun STEAM experiments/activities
- speak in a 3-minute thesis format about your STEAM interests
- view the amazing STEAM learning of SOSD students

To express your interest in participating in this year's STEAM Fest
have a representative from your school complete the form via this
QR code or visit: www.tinyurl.com/7oaks-steam

See you there!
