We are looking forward to seeing the children who will be coming to reconnect with school in June. In order to limit the number of people in the building, the children can only come to school by an invitation from their classroom teachers. Children will be dropped off outside and picked up from outside. A staff member will be outside to receive the children and guide them to the entrance doors by the staff parking lot. The main entrance doors will not be used as the construction in the front of the school is not completed yet. Sorry for the inconvenience.

Starting on June 15, online/remote learning will end. Teachers will be inviting students to come to school and work one on one or small groups.

FRIDAY, JUNE 5th IS A PD DAY - NO CLASSES

On-line Registration Process for NEW students.

Please note: You do not have to register your child if he/she is already enrolled at Collicutt.

Below is the link to register your child at Collicutt School for the 2020-2021 school year.

This applies to all new incoming Kindergarten to Grade 5 children.

Once the registration form is complete someone from the school will be in contact with you.

#BikeEverywhere

Thank you to all students who participated in the Bike Everywhere activities for the month of May. You logged over 180 kms rode. That is fantastic. Many entered multiple rides. A huge shout-out to Mehtabb in room 7 who logged 12 rides for a total over 45km's.

Sports

As part of our optional June Grade 3,4,5 Phys. Ed. classes, we'll be participating in a "Virtual Track Meet".

Students can share their times and scores in a division wide file. This is for fun and to create a little school / divisional spirit.
