École Constable Edward Finney School Handbook

2022-2023

Welcome to École Constable Edward Finney School! It is a pleasure to have your family as part of our school community. This booklet contains important information about our staffing, programs and guidelines for the school year. Please take some time to review this information, and do not hesitate to call us at 204-694-8688 with any questions you may have.

Our school follows a **Balanced School Day** timetable, except for our Kindergarten classes which are half-day programs. Here is our **daily schedule**:

8:25am	Teachers greet students outside.
8:35am	Announcements.
10:10-11:00am	Movement and nutrition break.
11:00am	Morning Kindergarten classes are dismissed.
12:30pm	Afternoon Kindergarten classes begin.
12:30-1:20PM	Lunch and movement break.
3:00pm	Dismissal for afternoon Kindergarten and Grades 1-5.

Please

Keep our school updated on any changes in address, contact phone numbers and email addresses. This is very important in case we need to contact you in an emergency or for any other reason. Log on to Parent Connect to view your current information at any time.

IF YOUR CHILD IS NOT COMING TO SCHOOL FOR ANY REASON...

please phone the school at **204-694-8688** and leave a message or email constable.finney@7oaks.org. If a child is absent and we have not been informed, parents or guardians (or emergency contacts) will be phoned to ensure the child is safe. Students who are late are asked to report to the office so we are aware they have arrived safely.

END-OF-DAY PICK UP

Our school day ends at 3:00pm. Please let your child's teacher know who is authorized to pick up your child. We need parent permission to change an end-of-day routine. If this routine changes for any reason, please let us know immediately.

Thanks!

IF YOUR CHILD REQUIRES MEDICATION AT SCHOOL...

1. The medication must be delivered to the school by a parent or responsible adult.
2. The medication must have an official label from a pharmacy (no over-the-counter medicines can be given as per school division policy).
3. An authorization form must be completed. Forms are available in the office or on our school web site.

Please keep the school informed of any changes in your child's health which may affect him or her at school.

EMERGENCIES AT SCHOOL

In order to prepare for emergencies at school, we hold 10 fire drills and 2 lockdown drills per year. All students are asked to have a pair of indoor shoes at school at all times so they are prepared for a drill. A letter to parents and guardians is sent home prior to lockdown drills to inform families of the procedure.

In the event that we might need to evacuate students and staff, we would go to Maples Personal Care Home or Arthur E. Wright School. Once there, we would contact parents/guardians at home or at work to pick up their children.

Guidelines and Procedures

LUNCH AND SNACKS AT SCHOOL

Many students bring food to school and eat in their classrooms during our two nutrition breaks. Encouraging healthy eating and teaching children about nutritious foods and treats (or “sometimes” foods) is a component of our Health curriculum. We ask parents not to send pop and sugary snacks to school with their children. We will no longer be running a milk program. If you wish to send warm food, please use a thermos container, as microwaves are not available for reheating food. Please send utensils with your child. There is **no cost** for parents to have their children eat lunch at school.

Please review the following expected behaviours with your child:

1. Children must be seated at a desk or table while they eat lunch.
2. Appropriate table manners and speaking voices are expected.
3. When the break is over, children are asked to clean up after themselves and get ready for the activity break.

1st Nutrition/Recess Break—10:10—11:00am

2nd Nutrition/Recess Break—12:30—1:20pm

BUSSING

Applications are required for bussing, and certain restrictions apply. Students who ride the bus are expected to behave in a safe and appropriate manner at all times.

IF YOUR CHILD IS NOT TAKING THE BUS BUT USUALLY DOES...

call transportation (204) 338-7051 and the school (204) 694-8688 to let the teacher and staff know. We require this information as early as possible in the day.

WE ARE A PEANUT-CONSCIOUS SCHOOL

Given the number of students with life-threatening allergies to peanuts, we are a PEANUT-CONSCIOUS school. We ask that you look for the peanut-free label when buying snack and lunch items, and not to send foods containing peanuts to school.

SEVERE WEATHER

If you are unsure whether or not there is school on a stormy day, please listen to CBC Radio 1 (89.3) or check the Seven Oaks web site at www.7oaks.org.

Please note that if school buses are not running in the morning, they do not run at the end of the school day either.

REMAINING INDOORS FOR RECESSES

When the wind chill reaches -27°C , or if it is raining hard, we keep the children indoors during recess breaks. Otherwise, children are expected to play outside and are asked to dress appropriately for the weather conditions (i.e. hats, mittens, warm footwear, etc.) Even when children have minor illnesses such as colds, they benefit from fresh air.

A good rule of thumb is that “if a child is well enough to attend school, he/she is well enough to go outside for recess.”
