

Dear Families,

In a world of on-line banking, shopping and accessing information of all kinds, schools are no different. Seven Oaks School Division has moved towards a paperless system called *Parent Connect* where all the traditional information provided from the school is found on-line.

Parent Connect will allow families to:

- Review attendance (real time to current day)
- Schedule Parent/Teacher Conference times
- View your child's current bus route

- View report card marks and comments
- Send messages to teachers
- Pay for student fees online
- > View and edit demographics (address, guardian and emergency contact information)

It is more important than ever, that families have a working e-mail provided to the school that they check regularly. Most memos and communication from Amber Trails will come in the form of an e-mail to families instead of paper memos.

We do understand that some families do not have computer access. We would like to offer free use of the computers in our school Learning Commons for any parent who needs computer access. Please feel free to check in at the office and let staff know you are using a computer.

We kindly ask that you make a special request for paper copies of report cards and newsletters with your child's teacher.

We hope that this Parent Connect Resource Guide will be of help to you. Please keep this guide at home for future reference. This Reference Guide is also available in **<u>Punjabi</u>** and **<u>Tagalog</u>** on the divisional website.

Please pay special attention to the Report Card section and the booking of conference times!

Parent Connect Authority and Passwords

The easiest way to log in to *Parent Connect* is by using your e-mail address. Enter your e-mail address (the one provided to the school) and your password. If it is your first time logging in, click on "Forgot My Password" or "Get Initial Password". You will be asked to re-enter your e-mail address and the system will send you a password. You can also log in using a MET number, which can be found on a copy of your child's report card or you can call the school to obtain it. Once you have signed on successfully, parents are encouraged to change their password to ensure privacy.

The links to *Parent* Connect can be found on our school website by clicking on "Parents" or by typing the following on the address bar:

<u>https://schoolconnect.7oaks.org/schoolconnect/parentsignone.aspx</u> (to sign on with your e-mail address) or <u>https://schoolconnect.7oaks.org/schoolconnect/parentsignon.aspx</u> (to sign on with MET #)

Save the links to your favourites!

Some features of *Parent Connect* include:

Attendance

Current attendance may be viewed by clicking on the **Attendance** tab. Attendance is entered twice daily, but may not be completely updated until the end of the school day.

Basic (Student Demographics – Editable)

The student's demographics (address, guardian and emergency contact information) are viewed from the **Profile** tab. Parent/guardian phone numbers and e-mail addresses, emergency contact phone numbers and contact names can be updated from this tab. Address changes must be done with the school office. **Note:** The primary guardian has the ability to change any contact information and telephone numbers. Additional guardians can only change their own contact details.

Report Cards

Parent Connect allows parents to view report card marks and comments once report cards have been posted. Click on the **Folder** tab, then click VIEW beside the report card you'd like to see. The most current report is at the top of the list.

Parent/Teacher Interviews

Parent Connect will allow you to schedule Parent/Teacher conference meetings at your convenience without having to call the school. You will be able to see available dates and times for your child's teacher(s) and coordinate meetings if you have more than one student attending Amber Trails School. Please see Page 4 for detailed instructions.

Web Forms

Every year, the school requires parental authorization for certain procedures which must be responded to online on the *Parent Connect* Bulletin Board or under the <u>Forms</u> tab. From the drop-down box, you must select one response and click save.

PARENT/TEACHER INTERVIEWER

The purpose of *Parent Connect Interview* is to give parents the opportunity to sign up for Parent/Teacher interviews online, based on pre-set dates and times. You will be notified of the date when you will be able to access the Interview function on *Parent Connect* prior to November and March Parent/Teacher/Student Conferences.

Click on the **Interview** tab to view and/or edit interview times. To avoid disappointment, book early.

The top left indicates student(s) and guardian(s). If you are a guardian or parent for more than one student, use drop-down button to select the appropriate student you want to schedule the interview for.

Once you select the date, time and teacher in the left table, the table on the right side of the screen will confirm what has been scheduled and will include all students in your family and the times selected.

Note: To see more dates/times, click on Next.

You may use the 'Limit to Date' and 'Start'/Stop' for specific dates and times. For example, if you are only free for one evening, limit to this evening and the teachers' schedule for that time period will appear.

To see a more reader-friendly copy of your booked appointments, use the <Print> button to create a PDF copy. If you have more than one student, it will print each student on a separate page.

Contact the school at any time for assistance with *Parent Connect*.
