FOREST PARK COMMUNITY SCHOOL

Forest Park Community School will again be providing a milk program for students.

White and chocolate milk will be available at a cost of \$15.00 for a card of 20 milk.

Please send your cheque payable to Forest Park Community School with your child indicating the child's name, and room number. The student will be issued a card that will stay at the school and be stamped every time the child receives milk.

Please remember to call the school if your child is going to be away from school. If a child is marked absent, we will call you if the reason is unknown. The school office opens at 8:30 am. We do have an answering machine, so if you need to call before the office opens, please call and leave a message.

THANK YOU!
