

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty one land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishiniwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

- Congratulations to the boys handball team on winning their home opener against the Vincent Massey Trojans last night. The boys had an exciting game, being up by only one going into the second half, but were able to pull away with the help of Anton Tahimic scoring over 10 goals on the night. Team handball action continues next Thursday when Garden city hosts Dakota.
