Dear Families,

We are now in the process of selecting courses for the 2024-2025 year. To be fully informed of the correct and most beneficial courses for your student, we will begin several discussions in Advocacy class. Here is what to expect:

Students will meet in February and March with their advocacy classes to review:

- Transcripts
- First semester report cards
- 2024-2025 School Handbook [Here](#)
- Course Selection Planning Sheets: [English Program](#) & [French Immersion Program](#)
- Compulsory and elective requirements – Planning Your High School Program (Page 6 and 7 of our Handbook)
- Post-Secondary pre-requisites: More detailed information can be found by making an appointment with a counsellor or visiting post-secondary websites

Monday, February 26th - Online Course Selection opens on Parent & Student Connect

Students can begin to plan their courses with a Course Selection Planning Sheet. Once complete, students are asked to enter their compulsory and preferred electives and alternates (choose 3) in either Parent Connect or Student Connect.
