Dear GC Students and Families,

The Manitoba government is requesting applications from high school students to participate on the **Manitoba Education Minister's Student Advisory Council**.

"The Student Advisory Council is one of the priority actions of the [Better Education Starts Today: Putting Students First](#) strategy. Council members will provide insights and advice to the Minister of Education regarding current and emerging topics and issues for Manitoba Kindergarten to Grade 12 students. The Student Advisory Council will be composed of up to 20 Manitoba youth, aged 14 to 18, who will report directly to the Minister of Education. Council members will serve a 12-month term starting in August 2021 and ending in August 2022."

Visit the [Manitoba Education Student Advisory Council](#) web page for more information on how students can apply.

Sincerely,

Tony Kreml
Principal
