

## Governor Semple School

150 Hartford Ave. Winnipeg, MB R2V 0V7

Ph: (204) 339-7112 / Fax (204) 334-7356

<http://www.7oaks.org/school/governorsemple/>

Dear Governor Semple Families,

I hope you are all taking care and staying well. Please know that we're missing your children's voices, smiles, and cheer at school. We look forward to their return to in-person learning as soon as possible.

Today Brian Pallister and Dr. Brent Roussin announced that schools will continue to operate in Code Red for a minimum of another week, with the earliest reopening being on June 7th. Please note that with June 7th being an Inservice for staff at Governor Semple School, students will hopefully return to in-person learning on Tuesday, June 8th.

As always, our school division is committed to supporting students and families over the summer. BEEP (Balanced Experiential Education Program) will run out of Governor Semple in July and August. BEEP is an activity-based program that infuses literacy and numeracy learning experiences into daily activities, led by qualified teachers, university students, and high school mentors. BEEP is open to students in grades 1-5. Further details about session dates and times are on our website. Registration is online and begins on Friday, June 4th.

Once again, we thank all Governor Semple families for helping to maintain a safe school environment for our learning community. Please continue to adhere to all public health orders to help slow the spread of COVID-19, and to support our students in navigating their final weeks of school.

Take care and stay well!

Sari Rosenberg

***The final preschool program will be on Friday, June 18th online***

Kindergarten registration began on Monday, February 22<sup>nd</sup>. Due to our current context, the 2021-22 Kindergarten registration is taking place online this year. Families are welcome to contact the school with any questions about Kindergarten or the registration process. All children registering for Kindergarten must be 5 years old by December 31<sup>st</sup>, 2021 (born in 2016). We look forward to meeting and welcoming our new Kindergarten students and families!
