Dear Governor Semple Families,

Many people think we begin to “wind down” in June, but this time of year is actually a very busy one at school! With warmer weather, the opportunities for outdoor activity, field trips and special learning events are endless.

With the warmer weather and hot sun, please make sure that you are helping your children dress appropriately and be sun smart. Hats, sunscreen and water to stay hydrated are all staples to a safe and comfortable summer!

Staffing and class configurations for 2019-2020 are not fully determined at this point, however we hope to send information soon. Report cards will be available via Parent Connect on June 27th for your viewing. Go to www.7oaks.org/school/governorsemples/, Parents tab (at the top right), Parent Connect and then enter your email address and password. You can also review attendance and ensure your contact information is up-to-date. We will be having a bump up day where students will get to meet their teachers for next year as well as their new classmates.

Happy June!

Jenny Hughes, Principal

REMINDER to all Parents/Guardians

It is important that you notify the office of any address, phone numbers and any other changes, so that our records can be kept up to date.

Thank you for your cooperation

The hardest part of any school year, in the library, is when students stop checking out books, and my job shifts from a 'Library Technician' to a 'Book Detective'.

As of **Monday, June 10th**, I will be asking for all Governor Semple School library books to be returned. I will be writing many notes to parents and guardians asking to look around their abodes for our missing pieces of literature.

If a book is lost there are a couple options:

- 1) Pay for the book, as the notes will have the books original price on them
- 2) Replace the book with another of equal value
- 3) Replace the book with the exact one that was lost

If you have any concerns please feel free to email me;
sara.wilson@7oaks.org

I'd be happy to answer any questions.

Happy Book Hunting!

Our Hula Hoopla was a huge success! A huge thank you to ***Wolseley Mechanical & Daniel Norman*** for supplying the necessary materials for our students to make their very own hula hoops!

A huge thank you to our lunch leaders who work so hard to support our children during the lunch hour. You're all so great at helping us take care of one another!!
