Dear Governor Semple Families,

What a busy month February was! With Learn to Skate programs, the beginning of Kindergarten registration for the 2016-17 school year, Winter Family Fun Night, Pow Wow Club and many other events, there was always a buzz of activity in the school.

Thank you to families who responded to the online survey about creating a natural playscape for your children to play in and on at school. The committee leading this project will be in touch as it progresses, and thanks you for offering feedback to enhance their efforts.

The month of March brings with it report cards and parent-teacher-student conferences. Please watch for upcoming information on using Parent Connect to access report cards online, and booking your conference. If you want a sneak peek, see details on page 3.

Karen Hiscott,
Principal

Governor Semple School is accepting registrations for Kindergarten!

Registrations can be taken during regular office hours from 9:00 am to 4:00 pm. Please note that your child must be five years old by **December 31, 2016** in order to be eligible for registration for fall Kindergarten classes.

Please bring your **child's birth certificate, medical card and proof of address** when coming to register.

How to Use Parent Connect

We are pleased to announce that our school is using Parent Connect, a password protected website that allows you access to view your child's report cards, attendance and, in early March, book your parent/teacher interviews... all at the click of a button. You can start to use the Parent Connect anytime now.

You can watch a [video on-line](#) to help you log in, or follow the instructions below:

1. Log on to our website at www.7oaks.org/school/governorsemples
2. On the top right hand corner you will see a **Parents** tab. Click on it.
3. Click on **Parent Connect** (using email address)
4. Now, you will sign in. **Type in your email address** (be sure this is the one on file with the school)
5. Next, you will click on "**FORGOT MY PASSWORD**". You will then be prompted to re-enter your email address. (lower case letters with no spaces between). Click on the blue [email me my current password](#) button. You should receive your password within minutes.
6. Now, you need to check your email. You will receive the temporary password to log in. Please change this password as soon as possible to something that you will remember. *Passwords must remain confidential.*

If you are having trouble logging in, it may be because:

- ** Pop-ups are not enabled. Please check your computer settings to make sure you enable pop-ups.
- ** Your email address you are using is not the address we have on file at the school.
- ** If your email address has changed, please contact the school to have it updated.
