March News 2021

Dear Governor Semple families,

It's hard to believe March is around the corner. We look forward to reporting on students' strengths, challenges, and next steps in their second term report cards. Report cards will be available online through Parent Connect on March 16th at 3:30pm. Family conferences will take place virtually on Teams again this term.

Our Community Council has met a few times this year and we are in the process of imagining the possibilities for our collaboration. Our meetings are taking place virtually on Teams. Our next meeting is scheduled for Wednesday, April 7th at noon. Please contact the school if you would like us to send you a link to our upcoming meeting.

Thank you, once again, for your support in keeping our community healthy and safe. Your children have been doing an incredible job adhering to the many layers of safety protocols in place. Thank you for keeping your children at home when they are (or another family member is) unwell, and for limiting the number of close contacts outside your household. We find that students are especially thirsty at school this year, possibly a result of wearing masks. Please send children to school with a refillable water bottle.

As always, feel free to touch base anytime with any questions, ideas, or concerns.

Take care,

Sari Rosenberg

Please be advised that Kindergarten registration began on Monday, February 22nd. Due to our current context, the 2021-22 Kindergarten registration is taking place online this year. Families are welcome to contact the school with any questions about Kindergarten or the registration process. All children registering for Kindergarten must be 5 years old by December 31st, 2021 (born in 2016). We look forward to meeting and welcoming our new Kindergarten students and families!
