Morning Stop, Drop and Go – How does this work?

We know how busy mornings can be and want everyone to arrive at school safely. From 8:45-9:00, one of our Educational Assistants, Ms. Jaspreet Kaur is waiting to welcome your kids safely onto school grounds. This sounds great! How can you participate in this and not have to find parking in the morning?

- Turning Off Doubleday Drive, turn onto Leamen Cres where you will find Ms. Jas.
- When safe, pull up your vehicle with the passenger side facing Ms. Jas.
- Parents/Caregivers, please stay in your vehicle. Please have your children exit the car through the passenger side only.
- Ms. Jas helps direct your children to school grounds safely.
Drive away, knowing your children have arrived safely!

Future Plans: We are also excited to share that we have been connecting with Devi Sharma, City Councillor for Old Kildonan, to look at the possibility of installing a new gate entrance directly onto the school field from Leamen Cres. When we connected with Councillor Devi Sharma and her team, they were very excited to partner with us to help make morning drop offs safe and smooth for our children and families.
