Dear Maples Community,

Maples Collegiate physical education classes have been spending more time outside and would like to help you, your family and friends by clearing snow from your sidewalks, walk ways and driveway this upcoming winter.

We are hoping to help clear the snow of homes of seniors, those living with a disability/illness, or those that can use the extra help.

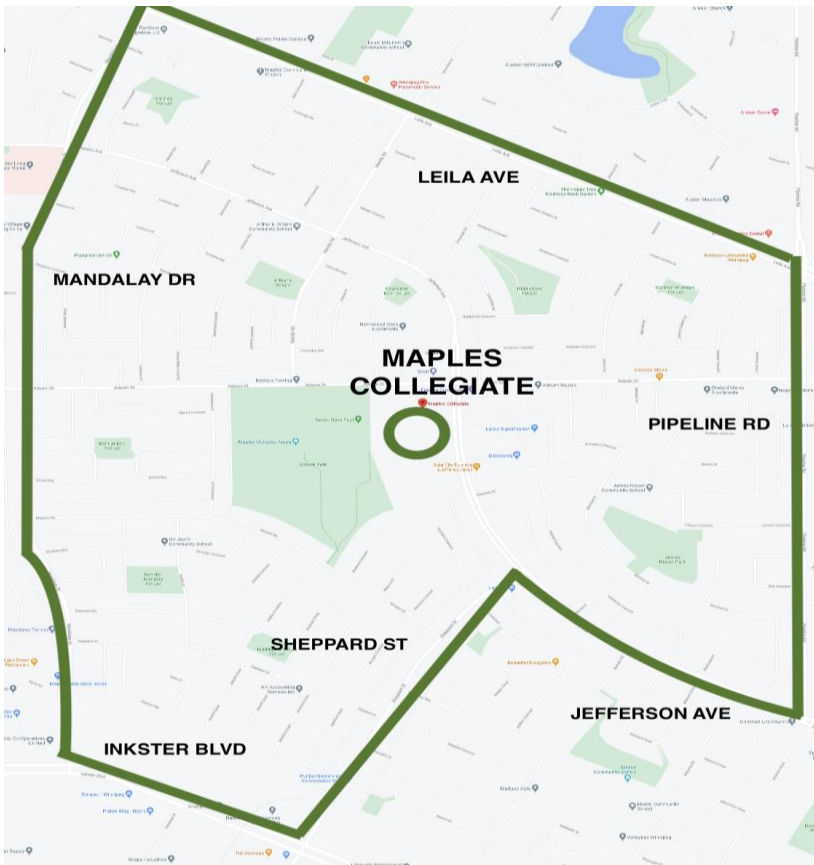

We cannot guarantee that we will be able to get to all homes that show interest as we will be commuting by foot.

If you or someone you know would benefit from having our students clear snow during school hours and is living within the area shown below, please fill out the form by scanning the QR code with your mobile device, or by contacting Matt Medwick or Allyson Delacruz at the school 204-632-6641.

Thank you for your time.

Stay safe,

Maples Collegiate
