September 20, 2018

Dear Maples MET School Families,

We are writing to inform you that Maples Collegiate will be hosting an information meeting about an amazing opportunity for students to travel abroad to ITALY and GREECE this Spring Break, March 2019.

NOTE: If you attended the meeting last April, or are currently signed up for the trip - then you DO NOT need to attend this information meeting.

The meeting is on TUESDAY, SEPTEMBER 25th at 6:30PM in room M-120 at Maples Collegiate (across from the Maples Office)

This trip will provide invaluable learning experiences for students and focus on a theme of Global Citizenship. Traveling abroad provides opportunity for students to get out of their comfort zones by communicating with people who speak different languages, navigating a foreign environment, developing cultural sensitivity and gaining perspective of how people live in other areas of the world. All this within the safety confines of EF tours and Maples teacher and administrative chaperones.

Please email Chloé Plamondon at chloe.plamondon@7oaks.org/(204) [632-6641](tel:632-6641) ex 63061 for further information if you cannot attend the meeting but are interested in the trip.

Hope to see you out at the meeting!

-Chloé Plamondon and Jenny Zaretski
