*Dear Families,*

*We are very happy to inform you that the free breakfast program at Margaret Park will begin next week. While we have always supplied classrooms with snack-type foods in the morning, starting Monday, January 29, 2018, students of all ages will be welcome to eat a healthy breakfast in the lunchroom. The program will open at 8:30 and breakfast will be available until 9:15. The prepared meal will be either cereal and milk or toast and cheese with a special offering each Friday. Classrooms will continue to receive a common breakfast bowl with fruit and vegetables.*

*Ms. Peterson will oversee the program and we are looking for a few volunteers to support us. Please let us know by calling the office (204-338-9384) if you are available .*
