September 14, 2021

Good afternoon OVJ Families:

Health and safety measures in schools have been effective in keeping schools safe and in limiting the number of COVID-19 cases in schools.

In order to ensure a safe and healthy environment for all students and staff, we ask that you and your families continue to follow the fundamentals - self-screening, hand hygiene and staying home when you are sick. We thank you for your help with this.

We need to be extra vigilant and having schools in session means that we need to do everything we can to protect our students, teachers, the staff and their families.

We ask your cooperation in screening your child/children every day before coming to school:

<https://sharedhealthmb.ca/covid19/screening-tool/>

Or call **Health Links** at **204-788-8200** or toll free at **1-888-315-9257** for further guidance.

Up to date information on COVID-19 can be found at: www.manitoba.ca/covid19

Thank you and take care.

Sincerely,

Tannis Nishibata-Chan
