- Enrollment went down by three students
- Terry Bilik's (Former RFM Principal) son is a shops teacher at West Kildonan Collegiate – they will make us two “sky pole” structures by end of school year. They use pallets to build them. PBK mentioned that if they need pallets – they could pick some up at Dairy Farmers of Manitoba at no cost – just have to pick them up.
- Vesey's flower/garden fundraiser – forms due soon
- Show and Save – Forest Park School is doing Show and Save books and has asked if RF Morrison would like to tag onto their order. Will ask other PAC participants if they would like to take this on.
- A parent at the school owns a food truck and would like to offer a hot lunch in April. He will donate all the food so that all money collected will go towards playground improvements. Will likely do hot dog and fries, CS will ask Mr Fares Abou-Chahin about the name of his food truck so we can share that with families at RFM – would be nice to be able to support him at other events when we see him. We will offer April 18 as a date to do this hot lunch.
