Welcome Back! Bonne rentrée!

My Heart Soars

by Chief Dan George

The beauty of the trees,
the softness of the air,
the fragrance of the grass,
speaks to me.

The summit of the mountain,
the thunder of the sky,
the rhythm of the sea,
speaks to me.

The faintness of the stars,
the freshness of the morning,
the dew drop on the flower,
speaks to me.

The strength of fire,
the taste of salmon,
the trail of the sun,
And the life that never goes away,
They speak to me.
And my heart soars

Chief Dan George wrote this poem as an expression of his profound connection to the land and to the environment. At ÉSOMS we strive for students to have a profound connection to their school and to each other. We aspire to create a place where students are engaged in their learning journey and where passions are nurtured. At ÉSOMS, we want every heart to soar!

However, if you would rather continue with the paper copy of the monthly Newsletter, please inform your child's homeroom teacher.

Breakfast Program

We are pleased to share that ÉSOMS is offering breakfast every morning from 8:00 to 8:20 a.m.

Breakfast is available to every ÉSOMS student who needs to have breakfast at school. We offer a simple, nutritious menu of cereal and toast, available free of charge from the canteen.

Healthy eating is essential to learning. We are grateful that we can assist our students in starting their day with the nutrition and energy that they need to be engaged and successful.

At ÉSOMS, it is our upmost priority to create a safe and caring school community. We strive to act in concert with the Seven Oaks School Division Safe Schools Policy, as follows:

SAFE SCHOOLS POLICY

In order for us to achieve our mission, our schools work daily to teach the children in our care how to get along with others. Some schools teach using the golden rule. . . “treat others as you would wish to be treated yourself.” Some schools teach behaviour using a simple code of conduct like: Take care of yourself. Take care of each other. Take care of this place. Our staff is expected to work on a daily basis to build safe, respectful, considerate and caring communities in our classrooms and schools. They are expected to teach children to do the right thing for the right reason, to take responsibility for their actions, to solve problems, understand one another and to correct and learn from their mistakes.

Our schools are expected to teach students that there are firm and clear expectations for them.

Those expectations include:

- that harassing, abusive or bullying behaviour, whether physical, sexual, psychological or electronic will not be tolerated;
- that behaviour that discriminates against anyone on the basis of any characteristic set out in subsection (292) of the Human Rights Code is unacceptable;
- that using, possessing or being under the influence of alcohol or illicit drugs at school is unacceptable;
- that gang involvement is unacceptable;
- that possession of a weapon as defined in Section 2 of the Criminal Code of Canada is unacceptable;
- that information technology, electronic mail and the internet must be used appropriately and with appropriate safeguards.

Our schools are expected to use a range of instruction, community building and disciplinary approaches to teach our students to behave in ways that are respectful, considerate and safe. Consequences for behaviour must consider the age of students, the context for their behaviour and the pattern of their behaviour. Consequences can range from verbal correction to mediation and restitution to suspension from school and even expulsion and criminal prosecution.

While we aspire to live and learn in a school community where everyone feels safe and included, we understand that children are learning and that issues may arise. When conflicts occur or when students feel unsafe, mistreated or bullied, we encourage them to speak immediately with their homeroom teacher, or with any adult with whom they feel comfortable. We encourage students to advocate for themselves and for one another. When adults become involved quickly, issues often resolve under our guidance. If parents have any concerns, please do not hesitate to call your child’s homeroom teacher. The homeroom teacher is the person who knows your child and their learning environment the best. They are best positioned to intervene, support and to monitor closely on a daily basis. Students and parents are also invited to contact either administrator, Mr. Kowalchuk or Mme Loewen.

Lunch Program

École Seven Oaks Middle School provides lunchtime supervision and activities for students who wish to stay at school for lunch. Our lunch schedule allows children time to eat together in their classrooms with their classmates and then participate in a variety of activities.

We are a Peanut, Nut and Fish-free School

There are several children and staff at ÉSOMS who have life threatening allergies to nuts and fish. Our goal is to provide a safe classroom and school for all students. This also applies to the food which is brought into the school. Please assist us in ensuring that your child's lunches and snacks are nut free and fish free.

- 11:15 Lunch begins. Students leaving the school grounds to eat lunch (e.g. at home) leave at this time.
- 11:15 – 11:35 a) Students eat lunch and converse with their classmates in their homerooms.
- 11:35 - 12:05 a) Students wishing to watch or participate in Intramurals can go to the gym.
b) Students may sign up in the morning to go to the school library.
c) Students may pick up a pass from the office to go to the West Kildonan Library
d) Students may participate in events/clubs (musical rehearsal, leadership etc.)
e) Students who go outside have the choice to:
- remain on school property (the school backyard)
 - walk to Victory School field (The play structure and hardtop are off limits). In our conversations with students we have reminded them to use extra caution and watch for traffic when crossing at Powers and Perth.
- 12:05 – 12:15 Students return to the school for afternoon classes which begin at 12:15.

Cell Phones, Digital Cameras, Electronic Music Devices & Games

We realize that many parents provide their children with cell phones for safety reasons. We expect that students will use them appropriately. At no time should these digital devices disrupt the learning environment. Students may not use digital cameras or camera phones in school except under the direct supervision of a teacher. To protect the privacy and safety of others, students who take unauthorized pictures of friends and classmates in or around the school may be asked to delete them from cameras and storage devices. The use of iPods or MP3 players is entirely at the discretion of individual classroom teachers.

The school cannot be responsible for loss of these items and we recommend that these valuable items be left at home.
