Directrice-adjointe (Vice-Principal): Véronique Laprise

November 26, 2020

Chères familles de Templeton,

Holiday time is fast approaching and in past years this has come with concerts and audiences full of loving friends and family cheering on our young musicians. While current pandemic restrictions will make things look different this year, our lovely students are still preparing concerts to share with families virtually.

Each class at our school as well as the Bhangra dance club and the grade 4 and 5 violin clubs will be performing in our virtual concerts. A theatre technician from SOPAC will be coming to our school on **Monday, December 14 to film our kindergartens, grade 1's and grade 2's**. He will come back the next day, **Tuesday, December 15 to film our grade 3's grade 4's and grade 5's** as well as the violin clubs and the Bhangra dance club.

More information will be shared regarding what students are invited to wear for filming days closer to those dates. We will be releasing the virtual concert videos for families to view at home on **Friday, December 18**. In order to make this process as smooth as possible, **please make sure you have logged onto Parent Connect to complete the media release form for your child**. More details on where to access the virtual concerts will also be made available closer to the above dates.

Thank you for your ongoing support. We can't wait to share this celebration of our musical learning with you!

Merci beaucoup,

Mme Naomi Garrett
