

## Education for Sustainable Development

We are officially a 'paperless' school. In place of newsletters, we use email, our website, and social media to keep both students and families up to date on what is happening at the school. Parents - please keep us updated on **your current email address** as emails are sent on a regular basis. Please see our website for the following important information:

Report to Community, Important Dates Calendar, and the Divisional Calendar. We also have a Facebook page that is regularly updated with important information. Please like and follow:

As ESD is a key component of our school plan, and in an effort to become a more sustainable school, we encourage the following from our student body:

- No plastic water bottles (we have a water bottle filling station)
- No plastic bags
- Garbage-free lunches
  - Create no waste
  - Bring containers for takeout food
  - No Styrofoam!
- Composting
- Reduce, Reuse & recycle
- Use natural light when possible
- Biking/walking to school
- Use of the 'green' space out back

## School Supply List
