

November Fundraiser Information

Colibri, Show & Save, Purdy's Chocolates and Mom's Pantry

Students can choose to sell one, some or all of these items.

1. Colibri: Canada is a Manitoba based Company that creates reusable household products. They have snack bags and wet bags that last for years. They chose specialized zippers that have been tested and certified to be safe and easy for little and big fingers alike. They handpick quality fabric in fashionable prints and stitched them together so precisely that every bag will last years of use and washing. And these bags are tested and certified ensuring they meet both FDA and Health Canada standards for food safety. This year, they have also added masks! Prices vary and students profit from \$3.00 - \$13.00 per item. This is an **ONLINE** only fundraiser running from November 9 to 22 (our school will not show up on the website until Nov. 9). Our fundraiser with Colibri ends on **November 22** so please make sure to place your order before then. A few important details...

The Colibri fundraising website is different from the regular Colibri retail website. Please visit www.colibrifundraising.com to place your order. Select the items to add to the cart. Click on cart, and **select Seven Oaks Met School** and fill in all the information and pay online. It is that easy! Please note that at midnight on November 22 the link will no longer contain our school as an option.
