At Victory School, we use **Parent Connect**, which is a password protected website that allows you access to book your child's orientation meetings, view your child's report card, book your parent-teacher interviews, and sign the yearly paperwork all at the click of a button!

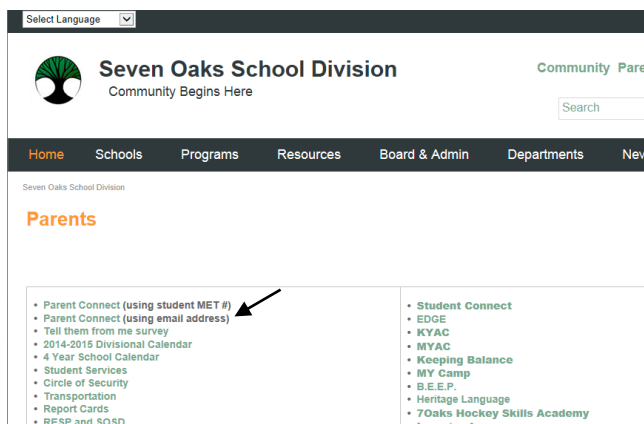

You can watch the video on-line to help you log in, or follow the instructions below.

Log on to our website at www.7oaks.org/school/victory

On the top right hand corner you will see a Parents tab. Click here.

2. Click on "FORGOT MY PASSWORD".
3. You will then be prompted to re-enter your email address.

5. Check your email. You will receive the temporary password to log in. Please change this password as soon as possible to something that you will remember.

If you are having trouble logging in, it may be because:

- Pop-ups are not enabled. Please check your computer settings to make sure you enable pop-ups.

2. Submit your child's student forms electronically.
3. Verify your child's demographic information is correct.

Make sure to hit save after you are done.

2. Submit your child's student forms electronically.

In order to submit your child's student forms electronically, you will click on the green tab "Forms". There you will see four separate forms for your child.

From here, you will click on each form and read it.

Now, you will electronically submit your permission responses. Click the save button after each response.

3. Verify your child's demographic information is correct.
