NEWSLETTER

December 2023

Dear Victory Families,

It is hard to believe that the month of December has arrived so quickly! Victory School continues the custom of collecting food items to make up hampers for people living in our community. A special thank you to Ms. Evans and our Room 6 classroom for taking the lead with organizing the donation drive this year. We ask our families to consider helping out, if you are able to. We will continue to accept donations until Wednesday, December 6th.

Mrs. Rumak will be taking some of our students who were invited to sing at a nearby 55+ residence later this month. The residents are looking forward to hearing our talented singers.

We will continue to go outside each day unless our local weather conditions are extreme – we follow the guideline of -27 degrees (or colder), as measured by Environment Canada at the airport. We check the weather throughout the day, as the temperature does continually fluctuate. Even when children have minor illnesses such as colds, they can benefit from fresh air.

Finally, thank you to our families who were able to attend Parent/Teacher/Student conferences last week. Conference time is always an exciting opportunity for children to share their learning with important adults in their life. Please remember that families can be in touch with classroom teachers regarding their child's progress anytime throughout the year. We hope that families were able to stop in at our school book swap that took place in the Library. Thank you to those who donated books, and to our Librarian, Mr. Jesse, for organizing and hosting the book swap.

We invite families to follow us (if they haven't already done so) on our school Instagram account, @victoryschoolmb, to see our ongoing posts and stories about all the learning and events that are happening each day at the school.

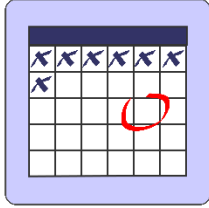

December
