## FROM ROOM 19

In learning about the Seven Teachings, the students in Room 19 spent time on the Eagle and how it represents Love. Here are some ways that we show love.

When I am sad, my brother makes me happy sometimes. I show him love and I would play with him. I help Aro make stuff when he needs help. That's how I show him love.

Aaliyah

I show love when I hug my mom and dad.

Andrei

I show love to my mom by cleaning up the toys. I also take care of my sister.

Aaron

When my mom is sad, I try to make her happy. I ask my mom if I can help her clean the house too.

Brynlee

How I show love to my sister is I play with her. I also sleep with her, draw with her, and colour with her.

Clairees

I show love by helping my mom and brothers with cleaning their bedrooms.  
I also help my little brother by helping him clean his toys in the basement.

Vivien

I met Reysel on the first day of Kindergarten. We were best friends. Then, I met Samantha in Grade Two. The three of us are close friends and now we are in the same classroom. Once, Reysel was sad about something and I showed love by telling her that it will be fine.

Andrea Mae

I show love to my sister by making a card for her when she is sad.

Cassandra

I show love to my brother because when my sister doesn't play with him, he gets sad. So, I colour with him and when we are done, we hang the picture on the fridge.

Arianna

I show love to my sister. When she is sad, I give her a hug and a kiss to make her feel better. Then when she feels better, I would watch t.v. with her.

Sumaya

I show love to Aaron by helping him with stuff and showing him where things are.

Lucas

I show love when I help people when they look sad. I ask them "are you okay? What's wrong?" Then they tell me what is wrong and I will try to fix it.

Joshua

I show love by saying nice things like "I like your shirt" or "I like your hair."  
I say "I love you" to my mom, my dad, and my family. I show love by giving gifts and making things to give to my family. I try to be nice and I give hugs and kisses.

Katelyn

I show love to my brother. When he can't reach something that is up high, I get it for him. I help him with his math work when he doesn't know how to do it. When he is crying, I give him a hug.

Reycel

I showed love when it was Christmas day. I showed kindness by sharing a gift. Another time I showed love is when I helped my little brother do his math homework.

Alexander

Whenever my little sister gets sick, I would hug her. I would try to make her feel better.

Samantha

I show love by making something for my family. Sometimes I will make a drawing, a gift, or write a note of love.

Gabriel

I show love by helping my mom clean the house and do the dishes.

Jessika

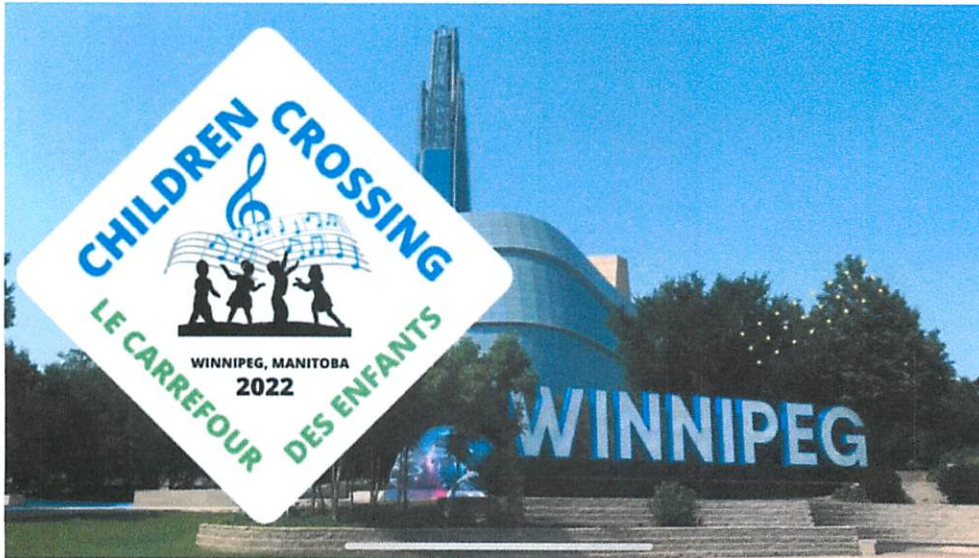

How I show love and kindness is by helping Quentin get his clothes on sometimes.

Have you moved or will you be moving; will you be changing schools in September; have you changed your phone number; changed your emergency contact information? If you have, please let the office know immediately. We need up-to-date information in the event of an emergency and for 2022-2023 planning.
