June 19, 2023

Dear families,

Thank you to all who attended to make our 75th anniversary a huge success. Family members, students, staff, former students, former staff and visitors enjoyed our concert and enjoyed touring the school and visiting the memory room that took people through the decades. We are grateful to the organizing committee and all those who supported our 75th anniversary with donations and prizes for our silent auction.

June has been a very busy month with field trips and activities. After the Manitoba Marathon run yesterday, our sports teams are winding down for the year. Students will still have many other outings in the next two weeks.

On Wednesday, our Middle Years students will be spending the day at Bird's Hill Park as a part of their year end activities.

On Thursday morning, we will be having an assembly and grand unveiling of our mural painted on the wall inside the front doors of our school. Indigenous artist, Annie Ferguson, will be in attendance to share her inspiration for creating the mural. After the unveiling, students will receive a piece of bannock with jam or butter. Thursday afternoon will be our first school wide Pride walk. We will be walking the Minnehaha, Hiawatha, Kenabeek loop as we recognize diversity and inclusion. Bright coloured clothing is encouraged and freezies will be passed out. It is our desire to see all Canadians treated equally regardless of race, gender, religion or any other label.

Remember that on Monday, June 26th there will be no school for students.

Wednesday, June 28th our early years students will be having their Tabloid Day outside. A circuit of games and activities will be set up for the students to enjoy.

Thursday, June 29th will be our Bump Up Day. On Bump Up Day, all students will have the opportunity to visit their new classroom for next year and meet the teacher and students who will be in their classroom. Bump Up Day takes place at 1:45. Thursday is also the final day of school for our PM kindergartens.

Friday, June 30th is the last day of the school year. We will have our final assembly where we recognize our grade eight students who will head to high school next year. Parents of grade eight students are encouraged to attend. Dismissal time is 11:00 on the last day of school. Kindergartens will dismiss at 9:30 on the last day.

We wish everyone a safe and happy summer.
