30 HOUR FAMINE

On Friday April 26th-Saturday April 27th the Grade 8's had the option to do the 30 Hour Famine. 19 came to the famine, and with help from some teachers it was a great success. At first some of us were hesitant, because we've never gone that long without food and we didn't think we would be able to do it. Some said "I thought I was going to have to sneak bannock!" and "I thought my parents would have to pick me up!" But we didn't have to do either of those things! We were actually surprised at how easy it was! Yes, we were hungry, but you kind of just got used to it, and as long as you drink lots of water and some juice you'd be fine. After doing it this year, we realized how much fun we actually had, and we would totally do it again!

Some of the things we did during the famine were volunteering at different locations, such as Winnipeg Harvest, Hands of Hope and Got Bannock. We did a "pay it forward" activity. We were given a certain amount of money and then did a random act of kindness, hoping to start a pay it forward effect, which turned out to be really fun and inspirational. Then we watched a show about being displaced called "Invisible Children". Later that night we did another one of our favourite things of the night - Mission Impossible around the school in the dark! We all had a great time.

The next day we did something called a car rally. We got a list of different questions that were located around the city, we had to complete as many as we could before 12:30. Overall we did so many fun activities that we didn't even have time to think about hunger. But when the feast came, we all ate so much, we could barely breathe after!

You never appreciate food as much as you do when you can't have it! We had a great time at the 30 hour famine and we're so happy we decided to do it, and we would definitely do it again!

Thanks to Mr. Rempel, Miss Yeo and all the other adults who helped make this event a success.

West St. Paul School Parent Advisory Council AGM – Tuesday, May 28th

The Annual General Meeting of the West St. Paul Parent Advisory Council will take place on Tuesday, May 28th at 7:00 p.m. at West St. Paul School. (Free childcare is provided).

The P.A.C. has worked hard for the past several years to support the school's technology goal of a Smart Board for every classroom. With this goal achieved we will be looking ahead to planning our goals for the next few years – current ideas include a new play structure for the back field or an electronic sign board for in front of the school. We encourage parents to attend the AGM to make suggestions or express their opinion about where the future should lead us.

At the AGM we will be voting on a number of changes to the constitution.

Proposed changes to West St Paul School Parent Advisory Council Constitution

Currently reads:

Article 6.3 Each elected member shall serve a one year term in office. No elected member of the Executive should hold the same office for more than two (2) consecutive years.

MIDDLE YEARS PHYS. ED

We have just finished a really busy badminton season. All teams in Grades 6-8 had tournaments at other schools. Thanks to coaches Mr. Olson, Mrs. Janzen, Mr. Gamby, Ms Gingera, Mr. Bencharski and Mr. McGunigal for helping out.

The Marathon Club is up and running! They are enthusiastically training twice a week under the guidance of Ms. Los, Mr. Zlystra and Mr. Skead.

The track and field club is starting this week. They will be training Tuesdays and Thursdays until late bus. It's a little challenging with the field conditions, but we will train anyway!

We had been doing circuit training in gym classes. One of the favorite stations is the ropes.

GRADE 4 SCIENCE CAMP

Science camp was a great success.

Ms Greening's and Mr. Zylstra's Grade 4 classes had a lot of fun at the Manitoba Museum learning about nature and habitats at Stephen Juba Park. We did a nature scavenger hunt and learned about the Ross Creek that used to flow from the Red River to Main Street. We learned all about different rocks, minerals, and crystals. We also had time to

explore the science gallery and had lots of fun!

Our Trip to the Symphony

~ Cruise B. ~ Zoe S. ~ Cordell S. ~ Megan M. ~

Our trip to the symphony was extraordinary! I loved the "time travel" theme. When I closed my eyes in the beginning it felt like a movie was starting because the music was catchy. They actually said "Let's travel back in time to visit Beethoven and listen to *Ode to Joy*." They even had a picture that looked like a time travel machine on the giant screen in the background.

There was also an acrobat and she was in a hula hoop and put sheets over her and it looked like a baby's crib. She did all sorts of flips and turns and she held on to the hula hoop with her feet. It was amazing! I loved the way she danced to the music especially when she did a back flip and the music got louder.

There were seven girls dancing and it looked like they were dancing robots! They were mostly on the floor while they were dancing. I couldn't believe how flexible they were! There was also a man and a woman who did a duet together. It was opera.

At the end the time travel machine malfunctioned and we went to the future and they started to play "Star Wars", the song.

We loved it, we can't wait to go next year!

KINDERGARTEN OPEN HOOSE Tuesday, April 23, 2013

It was a pleasure to meet all of our new Kindergarten children coming to West St. Paul school for the 2013/2014 school year. Our evening was spent first listening to a story read aloud by our two Kindergarten Teachers, Ms Carpenter and Mr. Gamby. Afterwards, the children and their families had time to play in various activities throughout the gym. As our future students left for the evening, they took home a West St. Paul bag with a brand new picture book, play dough, and some information for their families about Kindergarten and the importance of play.

A special thank you to the additional West St. Paul School staff that came out to support the evening, including Mrs. Horbas (Principal), Mr. Ingram (Vice-Principal), Mrs. Rajfur (Community Coordinator), Ms Burridge (Grade 3 Teacher), Ms Feuer (Teacher Candidate, University of Winnipeg) and Ms Robertson (Early Learning Support Teacher).
