SEVEN OAKS
SCHOOL DIVISION
community begins here

Seven Oaks' 3rd Annual Rhythm and Roots Gala supports Wayfinders, a community-based mentorship and outreach program that supports students from at-risk communities in their high school journey.

To reflect Seven Oaks' diverse community, the Gala will be a Dine Around, offering an eclectic variety of options and flavours from restaurants within the Seven Oaks Community and across Winnipeg.

We invite you to celebrate with Seven Oaks School division by investing in our Gala event through sponsorship... because community begins here.

Community begins here...

Every kid deserves a chance at education, community and a brighter, better future – and our Wayfinders after-school mentorship and outreach program is one way to ensure kids get that chance.

Our dedicated program staff and volunteer mentors help our kids build strong self-image, establish goals, explore career and life interests and learn to give back through community service. Most importantly, Wayfinders provides the encouragement to graduate and make the successful transition to post-secondary school.
