

Le mercredi 30 août, 2023

Chères familles de l'École Rivière-Rouge,

We would like to take this opportunity to welcome our new and returning families and to share our excitement about the upcoming school year.

We will begin our school year with orientation meetings on Tuesday, September 5th and Wednesday, September 6th. Each child will be invited with a parent/guardian for a scheduled visit with their teacher. During orientation meetings, the classroom teacher will spend some time getting to know your child, sharing what the school day will look like, end of day routines, medical needs and answer any questions.

For a smooth beginning and end of day, we ask parents to respect the following pick up and drop off instructions:

- Parents are not permitted to enter the bus loop or the staff parking lot at any time.
- Please use the drop and go parent loop on the south side of the school when dropping off or picking up your child. Do not park in the loop to avoid traffic congestion. We encourage families to walk to school when possible or to park nearby and walk.
- Students may be dropped off no earlier than 8:15am.
- Students should be picked up by 3:00pm.
- Please check with your child's teacher for designated pick-up locations.

If your child will be away or you will be picking them up early, please let the office know by phone 204-697-5962 or by e-mail at err@7oaks.org.

We invite you to visit our website for information regarding Parent Connect and important dates and events:
