AEC
ADULT EDUCATION CENTRE
developing confident learners

The Adult Education Centre (AEC) can help you achieve your academic and career goals.

We are an adult-focused school for learners ages 19 and older. Our flexible, teacher-led classes provide structure, allow students to benefit from interactions with their peers, and strive to accommodate your lifestyle and goals while providing you with a high standard of education.

Our career counselling offers students advice on career interests, post-secondary choices, goal-setting, resumes, job interviews, and portfolios for credit so you leave AEC confident and ready.

Who AEC is for

Whether you are looking to finish your high school diploma, earn your mature diploma, or upgrade your academic credits for future study, our variety of courses will help you achieve your goals.

We offer a variety of programs to help you to earn your diploma or build and upgrade your skills.

Manitoba Adult Literacy Program

With supportive teachers and flexible programs to meet your needs, you can earn certificates of completion and credits towards a grade 12 diploma – all while refreshing and/or building literacy and numeracy skills and concepts as well as skills for your career, school, or personal goals.

Mature Student Diploma

Earn credits for Grade 12 Math and English, two electives and four additional Grade 9-12 credits with this fast-track, 8-credit, fully recognized high school diploma program.

Academic Upgrading

As a high school graduate, take the credits you need for career advancement or post-secondary requirements.

Student Voices

“This was honestly the best experience for schooling.”

Allison

“The teachers and staff are caring, friendly and genuinely want each student to succeed.”

Jeremy

“Awesome wellness program, great way to get students interactive with school outside of classes.”

Crystal

CEAL (Cohort of Experiential Adult Learners)

Earn 2 to 4 grade 12 credits and learn by doing in this fast-paced, hands-on, project-based, exploratory, student-centred, independent learning environment. CEAL runs for 8 weeks, Monday through Thursday for 3 hours per day, 4 days per week. The program incorporates English, Cinema as a Witness to Modern History, and Global Issues. Learners can also attain credits in Career Development, Law, Biology, Psychology, and Physical/Health Education.

CVE (Cooperative Vocational Education) Heavy Construction

If you are interested in heavy duty mechanics, machinery operation, or surveying, you can gain in-class theory and on-the-job training in this 34-week course. As an introduction to the heavy construction industry, this program can open doors to your first job.

In addition to these programs, we also offer:

- Academic Advising
 - Recognition of Prior Learning, independent courses, and volunteer and employment credits.
- Career Advising and Support
 - Funding proposals, scholarships, and resume writing.
- Tutors for Math and English
- Wellness Facilitation and Workshops
- Immigration/Settlement Services
