NOVEMBER NEWSLETTER

“Working, learning and growing together”

October was a busy month full of learning for the staff, divisionally and provincially. Our school had a student led assembly hosted by rooms 4 and 14 to kick off Socktober (collecting socks for those in need with the cooler weather moving in) and we celebrated communication in creative ways. November brings with it Veteran's week and Remembrance Day. Our school assembly will be taking place November 8th for Remembrance Day and our community is welcome to join us as we remember. Also, we'll be gathering as a school to recognize the Holodomor November 19th.

November 1st will be a professional development day here at R. F. Morrison, so there will be no classes. As well, November 11th is Remembrance Day, so there are no classes that day either.

We are excited to celebrate student learning near the end of November. Stay tuned for information about when report cards will be available on Parent Connect and when you can start booking conferences with your child and their teachers! This is such an important part of student learning as we celebrate their many accomplishments.

As the weather is turning colder, please remind your child(ren) to be wearing all of the warm clothes you send with them. Also, our lost and found items seem to be overflowing! During the next few weeks keep watch for items being displayed.

Please also stay tuned for our holiday concerts taking place in December! December 11th our English program students will perform. December 12th our Ukrainian program students will perform. Both groups will be performing at the Seven Oaks Performing Arts Centre at Garden City Collegiate. More details to follow!
